Exempt Study Approval

To: Joseph Weishaar

From: Curt Naser, TC IRB Coordinator

Subject: IRB Approval: 17-220 Protocol

Date: 03/12/2017

Thank you for submitting your study entitled, "*Effect of Daily Vitamin D3 Supplementation on Human Health and Performance: Development of an Online Systematic Review and Meta-Analysis Tool for Health Education*;" the IRB has determined that your study is **Exempt** from committee review on 03/12/2017. This study does not involve human subjects as defined by the 45CFR46.102(f). Please note that there is no requirement to not record identifiers in your study. You are reviewing publicly available documents and therefore recording the identities of authors is appropriate.

Please keep in mind that the IRB Committee must be contacted if there are any changes to your research protocol. The number assigned to your protocol is **17-220**. Feel free to contact the IRB Office by using the "Messages" option in the electronic Mentor IRB system if you have any questions about this protocol.

You can retrieve a PDF copy of this approval letter from the Mentor site.

Best wishes for your research work.

Sincerely,
Curt Naser, Ph.D.
